

# **MOSQUITO FIRE PROTECTION DISTRICT DISTRICT STATUS REPORT**

**Fire Chief Eddie Dwyer**

**March 8, 2018**

## **I. The Department:**

1. During the month of March, the district was staffed with Firefighter Paramedics 25 days.
2. The District had ALS Coverage in the overnight hours during periods of severe inclement weather.
3. 60% of the medical calls that occurred in the district had Fire Based Paramedics on scene.

## **II. Personnel:**

We have added a third EMT Volunteer to cover the district 12 hours per week in the overnight hours. This provides us with three EMT Volunteers who on completion of a year's service commitment will be sponsored for the Firefighter Academy at Sierra College.

## **III. Information**

- April 21 The Firefighters will hold a pancake Breakfast

## **IV. The Station**

The Electrical Panel has been upgraded, this included separating circuits and upgrading circuit breakers.

## **V. Equipment**

**Our aggressive maintenance programs has provided a cost savings to the district. It keeps minor repairs minor, is cost effective and at this point of the year is under budget.**

E 275 Experiencing rear hub seal issues. Jon Lyons is in contact with the Chassis manufacturer to identify the best repair process. The engine also had dash lights and minor air leaks repaired. The Engine remains in service.

WT 75 Had the new light bar installed.
