

Fire Chiefs Report August 9, 2018

I. The Department:

1. We continue to prep Squad 75 for service and expect to have it in service with a ribbon cutting ceremony in October. We will be submitting a formalized proposal to the JPA Board this month. We will have to petition the El Dorado County Board of Supervisors as we seek to place this in the system as an ambulance during extreme regional emergencies.
2. The station has been staffed with at least one Firefighter or myself to ensure immediate response of equipment and resources During periods of Red Flag Weather or when Volunteer Personnel are not available in the district.
3. Anyone looking for plans review, please remember that you must schedule an appointment with the Fire Marshal , and submit electronic plans and blueprints

II. Personnel:

Captain Purvis and Firefighter Douglas are assigned to the Carr Fire. Their Task Force has been credited with saving the community of French Gulch. They have performed admirably and with valor. Captain Purves and Firefighter Douglas time out this week. We will provide a staggered relief of personnel, so we can maintain District coverage. Chief Dwyer will be in the office Tuesday the 14.

On Wednesday August 1, Mosquito Fire Personnel played an integral part in County Fire Operations. Personnel were deployed on the Bumper Fire and assisted in structure defense credited with saving two houses at the head of the fire on Division B. E-275, was the only unassigned Engine on the divide, Mosquito Personnel back staffed the district, Station 75 was the only staffed Fire Station on the Divide

III. Information

1. **CALFIRE has placed a ban on all outside burning, except those fires used for warming and cooking, these fires must be in designated camp grounds. Please do not leave any fire unattended, and ensure they are completely extinguished. On Red Flag days, there is a complete ban on open burning.**
2. Diamond Springs should be delivering the Draeger SCBA's by the end of August. They have inventoried the equipment and will assist MFPD with fit testing for proper mask sizing.
4. MFPD Personnel make regular patrols to Rock Creek, Finon Reservoir, the upper district and forest. We have found several illegal cooking fires and educated persons involved
5. August 18th MS-75 will be holding a Pancake Breakfast here at the Fire Station.

IV. The Station

The Engineering report for the station repairs have been approved. Repairs should start this week or Monday next week.

V. Equipment

E 275 No reported problems.

WT 75 Is on deployment

E 75 No reported problems.

C/U75 Has been stripped. We are waiting for the insurance agency to pick up Utility 75, and have reached out to potential buyers for Command 75.

E 75 No reported issues.
