

Mosquito Fire Protection District Survey

Hello and Welcome to the Mosquito Fire Protection District (MFPD).

Whether you live in Swansboro or in Mosquito at large, Station 75 is the fire station that serves you. The district station is located at 8801 Rock Creek Rd, across from the airport and open 7 days a week from 8 am to 5 pm. Contact number for non-emergency questions is 626-9017.

Changes are coming to the department over the next few years, due to increase costs, cuts in county funding, and no increase to the parcel assessment in over 12 years. The Parcel Assessment Review Committee (PARC) was created to aid with surveying the community regarding an increase to the district parcel assessment amount.

Three options under discussion:

- A. Increase the parcel assessment you are currently paying. (I know no one likes paying more money, but sometimes it is necessary.) The current parcel assessment is \$204 per year. PARC has come up with a range of staffing plans with associated costs.
- B. Consolidation. This proposed plan is to dissolve both the Mosquito and Garden Valley Fire Protection Districts, thereby creating a new district. Discussions are ongoing.
- C. Take no action to increase monies to the district. This will require lowering the current level of service.

Now the important message, NOTHING CHANGES without a Vote.

The survey is NOT a VOTE.

PLEASE TAKE THE SURVEY TO EXPRESS YOUR VIEWS AND THOUGHTS.

If you would prefer a paper copy, visit the fire station during business hours.

If you want to learn more about the district, the proposed increase to the parcel assessment, or the proposed consolidation with Garden Valley take an hour or so and come talk to us. MFPD holds regular board meetings the second Thursday of every month.

Thank you for your time, and we look forward to your feedback.
